

VERIFICATION OF PEDIATRIC CPR AND PEDIATRIC FIRST AID

Certifications in Pediatric Rescue Breathing, Infant-Child CPR and First Aid Treatment must be submitted with your daycare license application.

Certification needs to be completed through a course offered by a certified instructor.

On-line courses are not acceptable.

♦ Idaho Statutes, Title 39, Chapter 11 ♦

39-1109. safety standards. (1) Daycare facilities shall comply with the following safety standards in the area of the daycare facility in which daycare is provided:

(g) The owner or operator of a daycare facility shall ensure that at all times children are present, at least one (1) adult on the premises has current certification in pediatric rescue breathing and first-aid treatment from a certified instructor.

If you have any questions regarding Pediatric CPR and Pediatric First Aid requirements, please contact your Daycare Licensing Vendor Specialists by calling the Idaho Careline @ 2-1-1 or 1-800-926-2588
